Nova Scotia Sport Hall of Fame

The Nova Scotia Sport Hall of Fame (NSSHF) was pleased to offer another virtual Hero Chat as part of its Future Hall of Famers Education Program.

In honour of Black History Month, the NSSHF hosted a chat with Hall of Fame inductee and varsity basketball legend Ted Upshaw on Wednesday, February 23. Hero Chats are great opportunities for students to interact with Nova Scotia sport heroes like Ted, who excelled at sport and in his career with the RCMP, overcoming challenges to achieve firsts in both.

The chat was hosted by NSSHF CEO Bruce Rainnie, and registration was free. Teachers collected questions for Ted from their classes prior to the chat, and Bruce used student questions throughout his conversation with Ted. Teachers also received pre- and post-chat activities for use in the classroom.

The full recording of Ted's Hero Chat can be found on the NSSHF YouTube channel here:

More information on Ted Upshaw:

Inducted to the Nova Scotia Sport Hall of Fame with the 1977 Acadia Axemen National Championship men's basketball team, Ted Upshaw of Three Mile Plains is also an outstanding individual athlete. He still holds the record at Acadia for the most regular season points (1,563) and field goals (664). He also led the CIAU in scoring AND rebounding in 1981. In post-university life, Ted joined the RCMP and became the first African-Canadian commissioned officer with the force, and the first Black RCMP Inspector.

SASKATCHEWAN SPORTS HALL OF FAME

The Saskatchewan Sports Hall of Fame (SSHF) had a pair of inductees on hand as part of the opening weekend of the new Frost festival in Regina.

Frost spanned 10 days and featured four hubs across the city. Three-time Olympic gold medal-winning hockey player Colleen Sostorics met the public in the City Square Plaza tent in Victoria Park across the street from the Hall of Fame. Colleen signed autographs and showed off her medals before taking a spin with fans on the outdoor skating rink in the park. Inside, inductee Ted Jaleta was on hand to meet the public and challenge them to games on

our sports simulator and the interactive sport challenges in our STEM Galley.

The SSHF has two new exhibits on display. Our current featured exhibit, *Athletic Fashion*, celebrates uniforms and equipment, their look, their evolution, and their place in sporting history. *The Winter Olympics* celebrates Saskatchewan's rich history at the Winter Games and shows off a number of artifacts from our permanent collection.

After seeing our social media posts about *The Winter Olympics* exhibit, the Canadian Sport Centre Saskatchewan and Sask Sport endeavoured to create an eight-page colouring book that included some of the SSHF's facts and information about the province's Winter Olympic history. They have made those colouring books available, free of charge, to any schools who have booked a Virtual Field Trip with the SSHF during the Beijing Winter and Paralympic Games.

NEW BRUNSWICK SPORTS HALL OF FAME

The New Brunswick Sports Hall of Fame's latest exhibit titled "Racism in Sports" features our six black hall of famers. This exhibit was created to get people to think about the obstacles and challenges that our black athletes and builders have tackled while achieving great success such as being shut out from participation, lack of support, no credit given, and difficulty with access to sports due to racism.

Our goal at the NB Sports Hall of Fame is to remember history as it truly was so it's not repeated and give credit where it's due! As we say...by honouring our best, we inspire the rest!

You can learn about these inspiring hall of famers here.

<https://www.nbsportshalloffame.com/black-history-month>

The exhibit has been on display since February 1 to coincide with Black History Month.
